

Nitrile Washdown Hose

Application

- Ideal for industrial, agricultural, and construction washdown and discharge applications, not for fire fighting 

Feature

- Resistant to weather and abrasion

Specification

- Working pressure: 200 PSI
- Working temperature: -4°F to 158°F (-20°C to 70°C)

Coupled with NPSH female and male expansion ring couplings

Size	Length	Part #
1-1/2"	50'	WDH15BK50RAS
	100'	WDH15BK100RAS
2"	50'	WDH20BK50RAS
	100'	WDH20BK100RAS
2-1/2"	50'	WDH25BK50RAS
	100'	WDH25BK100RAS

Coupled with NST female and male expansion ring couplings

Size	Length	Part #
1-1/2"	50'	WDH15BK50RAF
	100'	WDH15BK100RAF
2-1/2"	25'	WDH25BK25RAF
	50'	WDH25BK50RAF
	100'	WDH25BK100RAF

N

Coupled with MNPT x MNPT male expansion ring couplings

Size	Length	Part #
1-1/2"	50'	WDH15BK50RAT
	100'	WDH15BK100RAT
2"	50'	WDH20BK50RAT
	100'	WDH20BK100RAT
